Sir:

The attached literature citation described below is being provided in compliance with Applicant's and their attorney's duty of candor and good faith under 37 C.F.R. 1.56, 1.97 and 1.98. A copy of the citation is recorded on the accompanying Form PTO-1449. It is requested that the reference cited herein be considered during further prosecution of this application.

A communication (European search report) from the European Patent Office issued April 27, 1999, disclosed the following reference which has not been previously cited by Applicants in an Information Disclosure Statement:

1.) EP 0 652 232 A1 (Health Research, Inc.)

The above reference is relevant due to the fact that it relates to p53 and/or p53as.

I hereby certify that each item of information contained in this Second Supplemental Information Disclosure Statement was cited in a communication from a foreign Patent Office in a counterpart foreign application not more than three months prior to the filing of this Statement.

Dated: June 24, 1999

Respectfully submitted,
